

Oxley's

Memorials

REMEMBERING YOUR LOVED ONE

There are many different and unique ways to remember those we love. If you would like a permanent **Memorial**, our skilled stonemasons will create a design and produce a monument unique to your loved one.

Traditional Memorials for the grave can be in the form of a headstone, plaque, vase or tablet, inscribed and etched to your wishes. It is however possible, that cemeteries and churchyards have their own rules about memorials, which can restrict you in terms of size, design, type of stone or colour. We will advise you about such regulations and where they apply.

If there is an existing headstone, we can add additional inscriptions or where there is no further room, you may wish to consider having a granite tablet or vase inscribed to sit within the site of the grave.
